25X1A

There was a discussion of an [REDACTED] which Dr. Kissinger disapproved and, therefore, didn't go.

We may be in the Assessment business again. Mr. Knoche has written a paper on this. The earliest we could do the next assessment would be Tuesday.

The Special Studies Group is developing a training questionnaire on the new system.

Charlie Allen cancelled his visit for today and has been rescheduled for Monday, 2 December, at 1000.

25X1C

[REDACTED]

There will be a CRT briefing at 1000 Thursday before the Production Board Meeting. DIA and SPAD are sending representatives.

25X1A

[REDACTED] reported on a Project SAFE meeting and an NRP Resolution Study Meeting he attended yesterday.

25X1A

[REDACTED] reported that there were two Notes for the Notes session at 0930 Thursday. He mentioned that IAS reporting procedures would be discussed at Thursday's Production Board Meeting. [REDACTED] said that the branch chiefs might want to attend this portion of the meeting.

25X1A

25X1A

[REDACTED] encouraged the Division Chiefs to pass on to their secretaries about Xeroxing on both sides of the paper.
